**Once the Pueblo Regional Building Department ("PRBD") receives formal notice that an examinee is no longer with the company and is transferring the license/registration (or for other reasons transfers the license/registration), then PRBD administratively locks the license/registration and gives the examinee's former company 30 days to request inspections for any open and/or active status permits for work already completed, but not yet inspected. No new permits may be obtained. Failure to replace the examinee within 30 days from the date of his/her disassociation will result in the automatic hold on the existing contractor license/registration.*
